2. MR 59-4

25X1A9a [REDACTED] reported that December 4 has been set as the target date for sending the text to Reproduction. Cartography Division has informed [REDACTED] that not all maps can meet this target date.

25X1A9a Briefing by [REDACTED], 24 November

25X1A9a

[REDACTED] has suggested that attendance at briefings like [REDACTED] include ERA and possibly DD/P personnel. [REDACTED] suggested also that this briefing might be repeated for the benefit of the E Area Satellites Committee. [REDACTED] will look into the latter suggestion.
